In case, the bidders do not submit any of the above mentioned papers/information along with tender, his bid will be rejected and bid will not be considered for further evaluation

It is reiterated that any bid not fulfilling any of the essential requirements mentioned in this tender document would be classified as “Technically Non- Qualified/Non-Responsive” and Financial bids of such bidders will not be opened. (However, sealed financial bids of such bidders shall be kept by ITI for records without opening and will not be returned to the bidders). ***No relaxation would be given to any bidder on any of these conditions.***

The bidders may take note of the following:

Methodology of Filling of Bid Documents:

All the pages of the tender document and Credentials/certificates shall be duly signed by the bidder. Rates should be quoted as per the „Schedule of Rates“ at **Annexure-B** and should be enclosed with Financial Bid. The format of Financial Bid Form should not be changed in any manner. Addition/ deletion/ alteration of the text will automatically render the tender invalid

and therefore, will be summarily rejected.

Bids not received in the prescribed format (s) along with the essential documents establishing the pre-qualification of the bidder shall not be entertained and rejected summarily. It is reiterated that the failure to furnish all the information required as per Bid Documents or submission of the bids not substantially responsive to the Bid Documents in every respect would result in rejection of the Bid.

Methodology of Packing and Sealing of Bid Documents

Tender must be submitted in as under;

Envelope1- Super scribing “Technical Bid for “Reconstruction of Boundary Wall on the rear side of ITI Bhawan, Vibhuti Khand, Gomti Nagar, Lucknow.” ”Envelope2- Super scribing “Financial Bid for “Reconstruction of Boundary Wall on the rear side of ITI Bhawan, Vibhuti Khand, Gomti Nagar, Lucknow.” ”

Envelope3- Both the envelopes 1 and 2 are in turn to be put in another i.e Third envelope and this envelope should be superscripted prominently as “ Tender for Reconstruction of Boundary Wall on the rear side of ITI Bhawan, Vibhuti Khand, Gomti Nagar, Lucknow.”

Tender Number Dated: “ ”.

All the three envelopes 1, 2 & 3 are to be duly sealed. Seal means wax sealed or sealed with Transparent tape/Adhesive tape affixing with Company’s Stamp and the document should not be sealed merely with gum or stapler pin.

No indication of the Prices will be made in the Technical Bid. Tenders received without proper sealing are liable to be rejected. Incomplete Tender or Tender in which both technical Bid and Financial Bid are found in the same envelope is liable to be rejected.

Methodology of Submission of Bid Documents:

The Bid/Offer//Tender in sealed condition should be dropped in the locked sealed Tender Box kept at General Manager-CM& MSP-NZ II Secretariat area on the first Floor of ITI Bhawan address as under-

**General Manager
ITI Limited, MSP-UP
ITI Bhawan, TC-18V, Vibhuti Khand
Gomti Nagar, Lucknow- 226 010, India
Phone: (0522) 272-0301, 0302, 0305**

The tender should be dropped/submitted latest by the specified time on the due date. Late/delayed offers shall not be opened /entertained under any circumstances. Fax / e-mail / Letter Heads quotations shall not be accepted and shall be ignored / summarily rejected.

Methodology of Opening of the Bids

Tender box will be opened at the notified Hours sharp on the due date by the duly authorized officers /team of officers of ITI Limited in the presence of all such bidders who wish to be present. Offers received by due time and date will be opened (for the Technical Bids only) in Conference Hall, of ITI Lucknow on due date itself.

Technical Bid and Financial Bid shall be opened separately. Tender will be opened in the presence of Bidders present on the due date and time .Technical Part of the Bids received will be opened on that day and the sealed Financial Bids will be kept in the custody of the designated officer. The Time, Date and Venue of the opening of FINANCIAL BIDS will be

intimated only to those Bidders, whose Technical Bid is found responsive after evaluation of details and documents furnished in Technical Bids. ***No correspondence in this regard will be entertained.***

Authorized representatives of the bidding parties may witness the Financial-Bid opening on the notified date, if they so wish.

Methodology of Evaluation of the Bids:

The tenders received without tender fee and Bid Security Declaration Rs. 17000/- (Rupees Seventeen Thousand only) as per enclosed format (Annexure-D) would be summarily rejected. Submission of any wrong information or incorrect / false declaration in this tender /Technical Bid / Financial Bid etc. will lead to rejection of the tender.

The technical bids would be evaluated by a duly constituted Committee of ITI Limited, whose decision would be generally taken as final, unless the aggrieved party establishes any Prima facie errors in the findings of the Committee. In such a situation, he may file a representation within 3 working days of receipt of decision from ITI Limited, duly listing the reasons / grounds. Such a representation would be considered at Senior Management Level of the Tendering Authority, whose decision would be final and binding on all the bidders.

The bids of the qualified bidders will be evaluated on the basis of the financial quote submitted by the Contractor (ANNEXURE-B).

ITI reserves the right to reject any or all bids without assigning any reasons thereof. ***It shall not be obligatory for ITI to award the work only to the lowest bidder.***

In case travel agency is unable to provide services as per the terms-conditions of the contract, the security deposit shall be forfeited along with the payment of non-performing period.

The Bids/Tenders received without the Bid Security Declaration shall be summarily rejected.

Records and Measurement:

The Engineer-in-charge shall except as otherwise stated ascertain and determine by measurement the value in accordance with the contract of work done in accordance therewith.

All items having a financial value shall be entered in measurement Book, Level Book, etc. prescribed by the Company so that a complete record is obtained of all work performed under the Contract.

Measurement shall be taken jointly by the Engineer- in-charge or his authorized representative and by the Contractor or his authorized representative.

Before taking measurements of any work, the Engineer-in-charge or the person deputed by him for the purpose shall give a reasonable notice to the Contractor, If the Contractor fails to attend or send an authorized representative for measurement after such a notice or fails to countersign for record the objection within a week from the date of measurement, then in any such event measurements taken by the Engineer-in-charge or by the person deputed by him shall be taken to be the correct measurements of the work.

The Contractor shall, without extra charge, provide assistance with every appliance, labour and other things necessary for measurement.

Measurement shall be signed and dated by both parties each day on the site on completion of measurement. If the Contractor objects to any of the measurements recorded on behalf of the company a note to that effect shall be made in the measurement Book against the item

objected to and such note shall be signed and dated by both parties in taking the measurement.

Completion Certificate:

As soon as the work is completed, the Contractor shall give notice of such completion to the Engineer-in-Charge and within ten days of receipt of such notice the Engineer-in-Charge shall inspect the work and shall furnish the Contractor with a certificate of completion indicating the date of completion.

Defects to be rectified by the Contractor and /or (c) item for which payment shall be made at reduced rates indicating the reasons thereof. When separate periods of completion have been specified for item or group of items, the Engineer in charge shall issue separate completion certificates for such item or group of items.

No certificate of completion shall be issued, nor shall the work be considered to be complete till the contractor shall have removed from the premises on which the work has been executed all scaffolding, sheds and surplus materials, except such as are required for rectification of defects, rubbish and all huts and sanitary arrangements required for his workmen on the site in connection with execution of the work, as shall have been erected by the Contractor or the workmen and cleaned all dirt from all part of building(s) in, upon or about which the work has been executed or of which he may have had possession for the purpose of the execution thereof and cleaned floors, gutters and drains; eased doors and sashes, oiled locks and fastenings; labeled keys clearly and handed them over to the Engineer-in-Charge or his representative and made the whole premises fit for immediate occupation or use to the satisfaction of the Engineers in charge. If the Contractor shall fail to comply with any of the requirements of this condition as aforesaid, on or before the date of completion of the works, the Engineer-in-Charge may at the expense of the Contractor fulfill such requirements and dispose off the scaffoldings, surplus materials and rubbish etc., as he thinks fit and the Contractor shall have no claim in respect of any such scaffolding or surplus materials except for any sum actually realized by the sale thereof less the cost of fulfilling the requirements and any other amount that may be due from the Contractor. If the expense of fulfilling such requirements is more than the amount realized on such disposal as aforesaid, the Contractor shall forthwith on demand pay such excess.

Penalty:

The work should be completed within the stipulated time without delay.

In case of failure compensation for delay will be levied @ 0.5% per week of quoted rates subject to the maximum of 12 % of the contract value

Rate Escalation:

No price escalation will be given during the period of the contract.

Settlement of Disputes:

In the event of any dispute between the parties, General Manager-CM& MSP-NZ II, Lucknow, ITI Limited will be the final fact finding authority and his decisions shall be final and binding on the operator/agency.

The contract shall in all respect be constituted and operated in terms of the Indian Contract Act and in accordance with the Indian Law in force from time to time and subject to the

jurisdiction of Lucknow courts only.

Termination of Contract:

In case of breach of all or any of the terms and conditions of the contract, without prejudice to any other right in law and order under the contract, the contract may be terminated immediately.
