Ref: ITI/NSU/CIVIL-DEL/2024/116/Tower/25/Group2

Subject: Correction of Typographical Error Regarding the Last Date for Submission of Technical Bid for the Strengthening of Existing Microwave Towers (Group 1 & Group 2)

To all concerned,

This is to formally notify all concerned parties that due to a **typographical error** on the cover page of the NIT, the last date for submission of technical bids was incorrectly mentioned as **14/02/2025**.

The correct last date for submission of the technical bids is **01/03/2025**, and this correction does not constitute an extension of the deadline, but a rectification of the aforementioned typographical mistake.

We request all interested parties to submit their bids by the corrected date of **01/03/2025**.

Kindly refer to the revised technical bid document for any further details or clarifications.

Sincerely,

AGM Projects
