

## Technical Specification

**Project:** Turnkey Setup of Testing Infrastructure & BIS Certification for Solar LED Luminaires Integrated with CCU and RMS

**Implementation Site:** ITI Limited, Naini Plant, Prayagraj, Uttar Pradesh

**Target Completion Timeline:** 03 Months from Award of Contract (LoA / Work Order)

### 1. Project Overview & Comprehensive Scope

ITI Limited, Naini intends to establish a dedicated, dual-line testing and quality assurance infrastructure for the assembly and testing of Solar LED Luminaires integrated with Charge Controller Units (CCU) and Remote Monitoring Systems (RMS) under SKD conditions.

The selected bidder shall execute the project on a turnkey basis, covering:

1. **Supply, Installation, Testing, and Commissioning (SITC):** Delivery and integration of test jigs, instrumentation, power sources, firmware debuggers, rework stations, and complete ESD protections for two (2) functional testing lines.
2. **BIS Certification Execution:** Turnkey responsibility for obtaining Bureau of Indian Standards (BIS) Registration / License strictly in the name of **ITI Limited, Naini** for all six (6) product models.
3. **Future Specification Upgrades & Post-Certification Support:** Mandatory provision of full technical and administrative support for future BIS scope additions, series extensions, or revised technical amendments.

### 2. Product Models under BIS Certification Scope

All luminaires shall comply with relevant BIS safety and performance standards (IS 10322 Part 5/Sec 3, IS 15885, IS 16102/16103) as well as prevailing MNRE benchmark technical specifications for SPV Module wattage and Lithium Ferro Phosphate ( $\text{LiFePO}_4$ ) battery capacity:

- **Model 1:** 12W LED Luminaire with CCU (without RMS)
- **Model 2:** 12W LED Luminaire with CCU (with RMS)
- **Model 3:** 18W LED Luminaire with CCU (without RMS)
- **Model 4:** 18W LED Luminaire with CCU (with RMS)
- **Model 5:** 20W LED Luminaire with CCU (without RMS)
- **Model 6:** 20W LED Luminaire with CCU (with RMS)

### 3. Bill of Quantities (BOQ) for Testing Infrastructure

The following BOQ covers the equipment, jigs, instruments, and accessories necessary to establish **two (2) complete testing lines**:

**Note:** The above-mentioned BOQ is tentative. Further, if any additional items or quantities are required for establishing two (02) complete testing lines, the successful bidder shall be required to provide the same.

#### 4. Key Conditions for Selection of the Bidder

##### A. Turnkey BIS Certification Mandate

- The bidder shall own end-to-end accountability for obtaining official BIS Certification/Registration for the six (6) specified models strictly in the name of **ITI Limited, Naini**.
- The scope includes document preparation, BIS portal filings, coordinating sample testing at BIS-recognized/NABL-accredited labs, clearing technical scrutiny queries, and coordinating the factory audit/inspection at ITI Naini.

##### B. Future BIS Upgrades & Technical Specification Amendments Clause

- Commitment to Technical Support:** If ITI Limited, Naini is required in the future to revise, amend, or upgrade the BIS certification due to revised technical specifications (e.g., higher wattage luminaires, modified driver topologies, alternate battery chemistries, or updated MNRE/BIS guidelines),

the selected bidder shall provide complete technical, engineering, and administrative support.

- **Scope of Future Support:** This includes preparing updated technical construction files (TCF), updating testing jigs/firmware if needed, facilitating inclusion/series extension applications on the BIS portal, and coordinating sample validation until the amended endorsement or scope extension is granted by the BIS.

#### C. Execution Schedule (03 Months)

- **Month 1 (Days 1-30):** Delivery, setup, calibration, and commissioning of all testing infrastructure and ESD benches at ITI Naini; documentation compilation and BIS application filing.
- **Month 2 (Days 31-60):** Internal pilot run, test sample generation, and dispatch of golden samples to the BIS-recognized test laboratory.
- **Month 3 (Days 61-90):** Clearing lab test reports, addressing technical queries, facilitating BIS factory inspection at ITI Naini, and securing the final BIS Certificate.

#### D. Technical Eligibility & Experience

- The bidder must possess prior experience in establishing testing infrastructure for solar electronics / LED luminaires and executing successful BIS licensing (IS 10322 / IS 15885 / IS 16102 series).
- Bidder must provide proof of Transfer of Technology (ToT) or authorized capability to supply proprietary MPPT and RMS testing jigs and automated testing software suites.

#### E. Warranty, Calibration & Training

- All capital equipment, testing jigs, and DC power supplies shall carry a minimum **12 months comprehensive on-site warranty** from the date of final commissioning at ITI Naini.
- Calibration certificates traceable to NABL/national standards must be provided for all power supplies, multimeters, and test instrumentation.
- Bidder shall conduct complete hands-on operational training for ITI Naini quality and production engineers on test jig operation, troubleshooting, and BIS audit protocols.

| 1.       | Turnkey Setup of Testing Infrastructure & BIS Certification for Solar LED Luminaries Integrated with CCU and RMS<br>Turnkey Setup of Testing Infrastructure & BIS Certification for Solar LED Luminaries Integrated with CCU and RMS<br>Code: SLS001 | 1 SET             | Attached                | Within 3 months from date of PO. |

OFFER MUST BE SUBMITTED ONLINE ONLY.

- NOTE:** Bidder must ensure that offered item is as per Technical specification.
- Bid must be submitted in two Covers (Two Bid System) with Our Enquiry No. and due date.
  - Technical Bid with Compliance sheet of Technical specification, acceptance of Tender General term and condition.
  - Commercial bid to be submitted along with HSN code (in 8 digits) of offered part No, GST rate, Basic price etc.
  - Bid should be submitted ONLINE on the above mentioned portal.
- Vendor's compliance must be provided for offered product against parameters of Technical Specification & same to be submitted along with the technical bid.
- The detailed General Terms and conditions for submission of Tender –Inland (Annexure I) (which is an integral part of this tender enquiry) are attached. Compliance of this must be submitted with tender technical bid otherwise it will be presumed that the same are acceptable to the bidder.
- TERMS OF PRICE: FOR, ITI LTD WORKS, NAINI, should be quoted in INR.**
- TERMS OF PAYMENT:** Rates should be as per Normal Terms of Payment (NTP) of ITI Ltd i.e. 60 days credit from the date of receipt of material. However, ITI prefers long credit period. For any variation in payment terms quoted by different Vendors, loading in the comparative statement will be made suitably. No advance payment terms are acceptable.
  - Payment will be made for the accepted quantity only. NO PAYMENT WILL BE MADE FOR THE REJECTED QUANTITY.
  - Applicable GST Tariff & compliances will over rule Sl. 5,6 & 17 in Annexure I
- Supplier must mention MOQ (Minimum ordering quantity)
- Supplies should be made from the latest batch of production.
- Batch no. should be indicated on component, packet & delivery challan.
- Test Certificate / Checklist should accompany each supply.
- Goods will not be accepted if above instructions are not followed.
- Tech. leaflet/ordering information should be enclosed with quotations.
- No conditional offer is acceptable.
- Vendors/Bidders must submit EMD @ 2% of tender value or maximum Rs. 5 Lakh before due date of the tender. Also scan copy of EMD is to be submitted along with tender document. EMD should be in the form of DD in favor of ITI Ltd. Naini, Prayagraj. EMD will be converted into security deposit for successful bidder. Successful bidder must submit balance amount of Security Deposit @ 5% of order value or maximum Rs. 10 Lakh before placement of PO.**

15. EMD will be returned within 15 days for unsuccessful bidders.
16. Those who are exempted from EMD must submit supporting document along with tender documents. However, they are required to deposit security amount @ 5% of order value or maximum Rs. 10 Lakh before placement of PO. SD shall be returned to the Vendor within 30 days after successful execution of PO.
17. SD shall be liable to be forfeited, if Vendor fails to execute the PO.
18. As GST is implemented, Following information are mandatory to mention along with quotation
  - Vender Name
  - Address
  - PAN No. along with Photocopy of PAN
  - Copy of GSTIN Registration
19. For any clarification, e-mail to [engcellx\\_nni@itiltd.co.in](mailto:engcellx_nni@itiltd.co.in), Phone No: 0532 -2687379/ Mob.:7007462166.
20. You may be present at the time of tender opening.

**SPECIAL NOTE:-**

- A. PLEASE SUBMIT YOUR OFFER ONLINE WITHIN DUE DATE.
- B. The party may indicate whether they fall under purview of MSME Act 2006 and if so the certified copy of relevant valid registration certificate as a proof may be submitted along with the tender bid. In case such certificate is not produced at the time of bid party will not be considered to be falling under this category.
- C. Our Organization is ISO 14001 Certified Company .Offers should be in compliance with ISO 14001 requirement.  
Please visit our web-site: <http://www.itiltd.in>, <https://itilimited.ewizard.in> for detail. For any clarification please feel free to contact us.

Yours faithfully,
