Ref. No.:- TS/SOLAR /GCRTS/BESCOM/01/ Corrigendum-1

Date: - 03.09.2022

CORRIGENDUM – 1

Sub: Selection of executing agencies for “Design, supply, erection, testing and commissioning including warranty, Comprehensive Operation & Maintenance of Grid- Connected Rooftop Solar Plant of 1 MW (1 KW to 3 KW) and 1MW (3 KW to 10 KW) capacities under the Phase-II of Grid Connected Rooftop Solar (GCRTS) Scheme of MNRE in BESCOM jurisdiction under SOURA GRUHA YOJANE (SGY)”.

Ref. No.: TS/SOLAR /GCRTS/BESCOM/01

Date- 23.08.2022

With reference to the above EoI, all the concerned are hereby requested to note that the following dates are changed.

Item of Work	Existing Dates	Extended Dates
Last Date for submission of bids	03/09/2022 (17:00 Hrs)	12/09/2022 (17:00 Hrs)
Date of opening of Technical Bid	05/09/2022 (11:00 Hrs)	13/09/2022 (11:00 Hrs)

ITI's CLARIFICATION TO QUERY RAISED BY THE BIDDER			Date of Issue: 03.09.2022
<p>Name of Work: Selection of executing agencies for "Design, supply, erection, testing and commissioning including warranty, Comprehensive Operation & Maintenance of Grid- Connected Rooftop Solar Plant of 1 MW (1 KW to 3 KW) and 1MW (3 KW to 10 KW) capacities under the Phase-II of Grid Connected Rooftop Solar (GCRTS) Scheme of MNRE in BESCOM jurisdiction under SOURA GRUHA YOJANE (SGY)".</p>			
<p>EoI Reference No.: TS/SOLAR /GCRTS/BESCOM/01</p>			
S. No.	Name of the Bidder	Queries raised by the bidder	ITI Limited Reply
1	M/s Savitru	ITI Asking PBG of 5% for 2 years and 5% of security deposit for 5 years ,as per GoI Finance Dept BG for any project should be only 3% as per GOI gaudlines Attached.	In the attached document it is clearly mention that the projects executed upto 31.12.2021 is only valid for reduced PBG percentage.
		Since solar PV panel prices are fluctuating on daily basis & ITI being a Solar PV Panel manufacturer, ITI should supply the PV modules & rest can be from executing agency .	In the BESCOM tender, it is mentioned that SPV Modules and Cells deployed in the installed systems are Indian Made (DCR). As of now ITI make SPV Module doesn't comply with the mandatory indigenous solar cell requirement. However, ITI will be planning to include DCR Solar Module in its existing BIS. The same process will take 3-4 months time. After the inclusion of DCR Solar Module in ITI existing BIS, ITI will supply SPV Module in the mutually agreed rate.
		Kindly confirm whether ITI will provide the list of customers who are all ready register at BESCOM under SRTPV souragraha yojana and ready for installation.	The identifiaion of customers is in the empanelled vendor scope. However ITI will provide the support for the same and provide the list of customers which come directly to ITI through BESCOM portal & other Mode.
		Kindly confirm that the % of payment released to executing agencies or auto payment facility is available to executing agencies.Need clarity on this.	Payment to the bidder will be made on back-to-back basis i.e. after realization from end customer or BESCOM (CFA amount).
		Does the tender provide exemptions from EMD/Tender fee and turnover criteria for Start-up companies in accordance with the DIPP, Govt. of India policies.	Only Turnover exemption for Start-up companies in accordance with the DIPP, Govt. of India policies. The valid Start - up certificate is required for the same.
		Payment terms mentioned is back to back post realization from customer, kindly confirm if this payment terms means "after completion of entire project in all respects" or it means once payment is received from customer same will be transferred to selected vendor unconditionally.	Payment to the bidder will be made on back-to-back basis i.e. after realization from end customer or BESCOM (CFA amount).

2	M/s Dhruv Energy	Can ITI supply Solar modules required in this project on terms and conditions mentioned in the tender document?	In the BESCOM tender, it is mentioned that SPV Modules and Cells deployed in the installed systems are Indian Made (DCR). As of now ITI make SPV Module doesn't comply with the mandatory indigenous solar cell requirement. However, ITI will be planning to include DCR Solar Module in its existing BIS. The same process will take 3-4 months time. After the inclusion of DCR Solar Module in ITI existing BIS, ITI will supply SPV Module in the mutually agreed rate.
3	M/s Evolve Energy Group	Identification of Roof under the SGY is under ITL scope or it is purely on Empanelled agency scope.	The identificaion of customers is in the empanelled vendor scope. However ITI will provide the support for the same and provide the list of customers which come directly to ITI through BESCOM portal & other Mode.
4	M/s Solar Energy Development Co-operative Society Ltd.	In the mentioned EOI, Pre Qualifying Category under Technical Criteria point number 2 it is asked for experience of 500Kwp On-Grid Roof Top Solar Projects. It is requested to you to consider the Off Grid projects also for eligibility criteria.	Considered Sr. No. 2 of technical Criteria under Pre-Qualifying Requirement is read as The Bidder shall have successfully completed installation works of at least 500KW (Cumulative) On-Grid/Off -Grid Solar Roof Top Solar projects during preceding Three Financial Years (i.e. FY 2019-20, 2020-21 & 2021-22). The work shall be carried out in any DISCOMS/state Govt./Central Govt./ Private sector in India.
5	M/s lansiso innovation	In reference to the above we request you to kindly provide us exemption in required minimum average annual turnover which will encourage startup and msme company's to utilize and work up to their full potential.	Only Turnover exemption for Start-up companies in accordance with the DIPP, Govt. of India policies. The valid Start - up certificate is required for the same.

Note: Other details of EoI vide ref. TS/SOLAR /GCRTS/BESCOM/01; dated: 23rd August 2022 remains unaltered.
